Faithful Stewardship

"...proclaim the word, be persistent whether it is convenient or inconvenient..." 2 TIMOTHY 4:2

It is not always convenient to be a good Steward, especially when all the temptations of our busy and materialistic world get in the way. Now add our own pride and ego into the equation and living a **Stewardship** lifestyle may be downright uncomfortable! Remember, God didn't call us to be comfortable. He never said that we would have an easy life. Rather, He called us to be faithful!

Pray for Ukraine!

Gracious and Merciful God,
We pray today for the Ukrainian people and ask for Your intervention in this senseless war levied against them by Russia. We pray, O God, for protection and that there would be peace. We pray for restoration and renewed hope. We pray for the families, especially, the children living through the horrors of war and all the upheaval and tribulation it brings. We also pray for those protesting in Russia against these violent acts by their government. We ask that You would protect, cover and keep these protesters as they put their bodies on the line in the name of what is just and righteous.
Bless those nations and cities who have welcomed the refugees of the Ukraine.
We pray for the entire world community, including the leaders in our own country. Give them wisdom and ingenuity to respond in ways that ends this war and moves us all to a world where Your peace abides. Hear the cries of Your people, O God.
Lord, have mercy. Christ, have mercy. Amen.

Welcome Back!

O.C.I.A. class is forming now

Countless men and women have chosen to journey through the Order of Christian Initiation of Adults (OCIA) to become Catholic. *(Formally known as the Rite of Christian Initiation of Adults.)* Baptized Christian adults desire to complete their Sacraments. Deacon Joe can assist with preparing you to receive the Sacraments or prepare you to be welcomed into our Catholic Faith. The book is provided and you would meet periodically to go over the material with Deacon Joe. He can answer any questions, explain more clearly our doctrine, rituals and practices and prepare you to be welcomed back or into our Church during the 2023 Easter Vigil. If you are interested or know someone who has inquired about becoming Catholic, just have them call our Parish Office, 609-927-1154 and set up your first inquiry meeting with Deacon Joe.

VISITING THE HOMEBOUND

If you or someone that you know is unable to attend Mass and would like to receive Communion, **Deacon Joe and some of our Extraordinary Ministers of Holy Communion** are available to visit their homes and bring them communion.

The Truth About Abortion & Women's Health

Abortion does not save women's lives.

Abortion is the **direct** and **intentional** killing of a child in the womb.

Abortion is **never medically necessary**. It does not treat or solve any pregnancy-related complication.

Outlawing abortion will not affect treatment for miscarriage.

Treatment for miscarriage and abortion is **not the same thing**.

There is a complete moral and legal difference between losing a child through miscarriage and intentionally taking the life of a child.

In the tragic case of miscarriage, surgery may be necessary—and is an ethical treatment—to remove the remains of an unborn child who has **already died**.

While the same surgery is done to perform an abortion, abortions impose this procedure on a **living child** with the **intention** of ending his or her life.

Women can get the lifesaving treatments they need—without abortion.

In rare cases, and in the absence of better alternatives, life-threatening maternal health conditions may require interventions that **indirectly** and **unintentionally** lead to the death of an unborn child. **Abortion restrictions will not prevent women from receiving these treatments.**

When the lives of mother and child are in immediate danger, the goal is to fight to save both patients. **Effective treatments exist that seek to save the life of the mother and never to intentionally harm her unborn child.**

When a woman's life is at risk in pregnancy, preterm delivery may be used as a lifesaving medical intervention to preserve the life of both mother and child.¹

Ectopic pregnancies result when an embryo implants outside the uterus—often in the fallopian tube. Sadly, such embryos cannot survive and this condition can pose serious risks to the mother. While ectopic pregnancies sometimes resolve naturally, interventions are often necessary.

When done ethically, treatment for an ectopic pregnancy is not abortion. Ethical interventions include the removal of the damaged fallopian tube containing the embryo or, if embryo death has already occurred, medication can be used to resolve the ectopic pregnancy.

Bottom line: Abortion restrictions never prevent women from receiving life-saving treatment.²

If you or someone you know is struggling after involvement in an abortion, the Church offers confidential, compassionate help through Project Rachel Ministry. Visit www.hopeafterabortion.org for more information.
