“So out of the ground the Lord God formed every beast of the field and every bird of the air, and brought them to the man to see what he would call them; and whatever the man called every living creature, that was its name.” (GENESIS 2:19) The creation story reminds us of two important points. First, since the start, God has put the entire world into our care. Second, Stewardship has been around since the beginning of mankind, it isn't something recently invented by the Church. Just as past generations built our Church, it is now our responsibility to continue to nurture and develop these gifts for future generations.

Blessing of the Animals

In honor of St. Francis, the blessing of the animals will take place on Sunday, at 12:15 pm in front of the church at the St. Padre Pio statue. (Please put your animals on a leash or in a crate).

Sexual abuse is a grave wrong that can never be tolerated. It is also a crime that must be reported, investigated and responded to so that victims are protected and those who commit abuse are removed from ministry. A special toll-free

number has been established to help callers report cases of sexual abuse by priests, religious, employees and/or volunteers. Calls are handled by a licensed clinical social worker. In accord with state law, cases of child sexual abuse are reported to the N.J. Division of Youth and Family Services and law enforcement. For information or to inquire about counseling and support services, call 1-800-964-6588.
