## **The Ascension of the Lord Living Stewardship**

*"I am the Alpha and the Omega, the first and the last, the beginning and the end." (REVELATIONS 22:13)*

This is a reminder of how we should live our lives 24 hours a day, 7 days a week – putting God first in all that we do. Not only when I am at Mass and parish activities, but when I am in the world, at work, or at school. Living Stewardship gratefully and generously is an intentional lifestyle. Every decision you make either moves you closer to God or farther away. Choose wisely!

**COMMUNION**  
For the Homebound

If you or a loved-one are homebound and unable to attend Mass, one of our Extraordinary Ministers would be happy to visit and bring you Holy Communion. Call the Parish Office at 927-1154 and set up a day and time when they can visit with you.

To the Parishioners of Our Lady of Sorrows,

On behalf of Father Paul Harte's family, we want to extend our heartfelt thanks to each of you for the incredible outpouring of love, support and prayers following his passing.

Your Mass cards, note, shared memories and presence at his services were a profound comfort to us. For those who sent Mass cards without a return address, please know how deeply grateful we are - even if we couldn't thank you directly, we felt your kindness.

As we said in Father Paul's eulogy, there were many times over the years when we, his biological family, could not be physically present - but he was never alone. You, his parish family, stood beside him with the same devotion and warmth that he gave so freely. You loved him in the most complete way: as your priest, your friend, your family and what a fine job you did.

Thank you for the love you showed him in life and the honor you've paid him in his passing. We will be forever grateful that he had you - and that we did too.

With appreciation,  
Michael Harte, Patty Holston, Mary Rastelli  
and the entire Harte Family

*Legion of Mary*

The Legion of Mary is a lay apostolic association of Catholic men and women who have formed themselves into a body to be of service to the Church. Founded in Ireland in 1921, it now serves in more than 170 countries throughout the world. Mary the Immaculate is the model and through her its members seek to present Christ to everyone. The objective is the spiritual formation of all confirmed members of the church through Prayer and Lay Apostolic Work to realize their vocation to holiness.

Our Lady of Sorrows Praesidium (this is what a parish Legion of Mary group is known as) meets each Tuesday at 9:30 a.m. in the Church Annex. You are most welcome to join us. Please mark your calendar and plan to attend our next meeting. For further information contact Linda Tuccinardi at 609 653-8152.

## OUR PARISH FINANCIAL CONDITION

Reviewing the results of the recently conducted parish survey, I noted that there was a strong interest in better communication and openness regarding the financial status of our parish. I came to realize that this was more than understandable since apparently it is at least a few years since a financial report has been issued to the parish community. Researching our financial status, I learned that not only are we in a position of significant deficit spending in our current fiscal year (July 1, 2024 – June 30, 2025) but have been so in prior years as well. This led me to an examination of our parish finances from fiscal year 2011-2012 to the present.

During the past 14 years, we have been in deficit spending (that is, our expenses have been greater than our revenues) for ten of those fourteen years. During this period of time, our revenues have dropped by 8 % and our expenses have grown by 9%. We have accumulated a deficit of unpaid bills in the amount of \$735, 546. Most of this indebtedness has been for services that we receive through the Diocese of Camden such as insurance and pension and long-term care for our priests, as well as our share of support for diocesan operations to which all parishes regularly contribute.

This situation clearly required immediate attention, first to reduce costs and secondly to increase revenues. Just as we need to live within our means in our households so, too, we must do so in our parish household. Since it is urgent that, to every degree possible, we avoid any additional indebtedness, I thought it was imperative that we take some immediate actions.

To reduce costs, I have eliminated two staff positions, one part-time and one full-time. These positions could not be justified when we are not meeting our other financial obligations. I have also reviewed our spending patterns to determine other ways to reduce our spending. Since expenditures for heating and air conditioning are a significant part of our utility costs, we need to heat and cool our church building only at times when services are being conducted. At all other times, the main part of the church would be heated or cooled only at maintenance levels. Should the temperature within the church become uncomfortable, the Blessed Sacrament would be moved to the recently prepared Adoration Room for the comfort of visitors.

Regarding revenues, unlike most other parishes in our diocese, who have returned to pre-COVID levels of income, our income is still more than 6% lower than pre-pandemic times.

As a parish community, we continue with hardworking volunteers, to have successful fund-raising endeavors, including weekly Bingo, our 750 Raffle and our St. Patrick's Auction. The simple addition of more events would be insufficient to meet our financial needs.

Thus, the clear avenue to put us on a healthy financial footing requires a significant and consistent increase in the weekly offertory donations by the parish community. We have been averaging less than \$7,000 a week. To place ourselves in a healthy, sustainable position, we need minimally (in my estimation) to contribute more than \$9,000 each week. I think we can meet and surpass that, if we choose to do so.

(over)

As a community, we are predominantly residential, commercial and professional. We are not an impoverished demographic that needs to be supported by the other parishes of our diocese. In fact, ideally, we should be supporting others through our generosity. I encourage us all to give serious, prayerful thought and true commitment to accomplishing this. Anything less (in my estimation), would place our future in jeopardy.

Msgr. Roger
